WACC Industrial

WACC Industrial Group is a trusted provider of high-performance connection solutions, backed by extensive industry experience and expertise. Our quality, innovation, and customer satisfaction has made us a preferred choice in over 40 countries worldwide. We specialize in the manufacturing of top-quality **CAT, Data, Fiber, and Copper cables, along with essential accessories, Fiber Optic Splice Boxes, Cable Tray Management Systems, and PDUs (Block/Socket Type).**

Beyond manufacturing, WACC Industrial Group provides **expert consultation and support for AC Systems (In row), UPS devices, Raised Floor Systems and Complete Network System Solutions. We also deliver complete network system projects across various sectors, including construction, telecommunications, education, and healthcare**.

Manufacturing Excellence

WACC Industrial Group operates two manufacturing facilities:

❖ **Facility 1 (Kayseri, Türkiye):** Dedicated to Data & LAN Cables, Fiber Optic Cables, and related accessories.

❖ **Facility 2 (Istanbul, Türkiye):** Specializing in Cable Tray Management Systems, PDUs (Block/Socket Type), and complete network system solutions.

❖ The total area of 18,500 m², our modern production units' manufacture over 2000 different products, ensuring solutions for telecommunications and construction sectors.

Quality & Certifications

We adhere to the highest industry standards, ensuring that our products meet national and international requirements. Our production processes comply with:

- **ISO 9001** (Quality Management)
- **ISO 14001** (Environmental Management)
- **OHSAS 18001** (Occupational Health & Safety)
- Additionally, our products carry **CE, Reach, RoHS**, and other internationally recognized certifications, guaranteeing performance, reliability, and compliance with industry regulations.

WACC Industrial
